**PRIVATE BILLS****Excerpts From Standing Orders Relating to Private Bills**

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

(a) a printed copy of such Bill;  
(b) a copy of the petition to be presented to the House;

(c) copies of the notices published, with publication proved by a statutory declaration of affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper

published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10  $\frac{3}{4}$  inches by 7  $\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified. — Ian M. Horne, Clerk, Legislative Assembly.

#### POLLUTION AMENDMENT

This application is to be filed with the Regional Waste Manager, Ministry of Environment, 2569 Kenworth Road, Nanaimo, B.C. V9T 4P7.

Any person who may be affected by the amendment to Permit PR-3825 described below may, within 30 days from the date of posting, publication, service or display, state in writing to the Manager how he is affected.

*Preamble* — The purpose of this application is to amend the permit to allow the following: (a) the burning periodically of excess burnable materials such as wood, shrubs and cuttings, paper products; (b) use the summer site (inside fence) April 1 to

October 31; use winter site (outside fence — depending upon bears being present or mild weather) for remainder of year.

Kim Creed, Superintendent of Public Works, of the **Village of Gold River**, B.C., hereby applies for amendments as described below, to Waste Management Permit PR-3825, granted on October 4, 1974, which authorized the discharge of household garbage and rubbish from the Municipality of Gold River located at TFL 19, Gold River, B.C. to the land.

#### AMENDMENTS REQUESTED

**Burning:** We are attempting to segregate our waste; in particular, we have many residents reroofing and cedar shakes need to be burnt. Other burning will include wood, shrubs and paper products. Burning depends upon weather conditions and is constantly manned while in progress. No burning if there is any fire hazard.

**Summer/Winter sites:** As mentioned previously, our objective is to utilize the present site as much as possible. The fenced area will be used during the summer to keep bears out. Unfenced area used during colder weather.

This application, dated on March 16, 1984, was posted on the ground in accordance with the Waste Management Regulations. — Kim Creed, *Agent*. [ap12 — 9093]

#### POLLUTION AMENDMENT

This application is to be filed with the Regional Waste Manager, Ministry of Environment, 15326 — 103A Avenue, Surrey, B.C. V3R 7A2.

Any person who may be affected by the amendment to Permit PE-5400 described below may, within 30 days from the date of posting, publication, service or display, state in writing to the Manager how he is affected.

*Preamble* — The purpose of this application is to transfer the existing permit from the name of Superior Seafoods Ltd. to that of Richmond Canning Co. Ltd; apply for permission to increase the maximum daily discharge to 1 400 cubic metres to accommodate our herring thawing process in April and May.

**Richmond Canning Co. Ltd.**, 9829 River Road, Delta, B.C., hereby applies for amendments as described below, to Waste Management Permit PE-5400, granted on April 10, 1979, which authorized the discharge of effluent from a fish-processing plant located at 9829 River Road, Delta, B.C., to Fraser River.

#### AMENDMENTS REQUESTED

Change the name from Superior Seafoods Ltd. to Richmond Canning Co. Ltd.

Increase the maximum allowable daily discharge to 1 400 cubic metres. During the months of April and May, our process requires us to use large amounts of water to thaw frozen herring for roe extraction. The frozen fish is placed in tanks and water is flooded over them. Although the effluent levels will be high for April and May, the levels of contaminants contained in the effluent will be negligible.

This application, dated on February 29, 1984, was posted on the ground in accordance with the Waste Management Regulations. — T. W. Turyk, *Agent*. [ap12 — 9093]

#### POLLUTION AMENDMENT

This application is to be filed with the Regional Waste Manager, 3547 Skaha Lake Road, Penticton, B.C. V2A 7K2.

Any person who may be affected by the amendment to Permit PE-173 described below may, within 30 days from the date of posting, publication, service or display, state in writing to the Manager how he is affected.

*Preamble* — The purpose of this application is to apply for an increase in the amount of effluent discharge from a municipal sewerage system.

**The Corporation of the Village of Lumby**, Lumby, B.C., hereby applies for amendment(s) as described below, to Waste Management Permit PE-173 (and Appendix 01), granted on March 13, 1967, last amended January 4, 1973, which authorized the discharge of effluent from a municipal sewerage system located at Lumby, B.C., to Bessette Creek.

#### AMENDMENTS REQUESTED

Quantitative calculations for the year 1983 indicate that effluent discharge to Bessette Creek during the months of January, February, March and part of December, would have exceeded the current limit of 455 m<sup>3</sup>/day as authorized by Amended Permit PE-173.

A comparison of the years 1981, 1982 and 1983 indicate that an allowable discharge level of 650 m<sup>3</sup>/day would sufficiently accommodate our increased flows, especially during the spring freshet.

We are hereby applying for an amendment to our current Pollution Control Permit PE-173 that will increase the allowable effluent discharge to Bessette Creek to 650 m<sup>3</sup>/day during the period October 3 to April 14, inclusive.

This application, dated on March 20, 1984, was posted on the ground in accordance with the Waste Management Regulations. — L. W. Anderson, *Agent*. [ap12 — 9093]

#### PRIVATE LAND ACCESS

In the matter of the *Forest Act*, RSBC 1979, chapter 140, section 94, and in the matter of a right to harvest timber held by Tahsis Company Ltd.

Take notice that, pursuant to section 94 of the *Forest Act*, Tahsis Company Ltd. requires non-exclusive access across private lands to timber that it has the right to harvest.

The private lands to be crossed are situate in the Vancouver Island County, Province of British Columbia, and are more particularly known and described as Lot 1031, Rupert District, Alberni Assessment District.

Registered owner: Andrew Hunter Donaldson.

The timber to be harvested by Tahsis Company Ltd. is situate on land in the Vancouver Island County, Province of British Columbia, and is more particularly known as Spudd Valley, Tree Farm Licence 19.

Tahsis Company Ltd. will require access over the said land for the following period of time: 5 years.

The right of access will be shared with the present owner.

Access is to be gained by constructing a road over a right of way with a length of 492 metres and a width of 20 metres resulting in an area of 0.98 hectare. The right of way will run roughly parallel to the lot boundary of Lot 1031 running from the most westerly corner of the lot to the most southerly corner of the lot (hereinafter described as the "southwest boundary"). The right of way will begin at a point 25 metres northeast from the most westerly corner of Lot 1031. The point lies on that boundary of Lot 1031 formed by running a line from the most westerly corner of Lot 1031 to the most northerly corner of Lot 1031. The right of way will continue roughly parallel to the southwest boundary for a distance of 413 metres to a fork in the right of way. The northern portion of the right of way will then continue 79 metres to a point 102 metres northeast from the most southerly corner of Lot 1031 which point lies along the boundary of Lot 1031, formed by running a line from the most southerly corner of the lot to the most easterly corner of the lot (hereinafter described as the southeast boundary). The southern portion of the right of way will continue 55 metres to a point 45 metres northeast from the most southerly corner of Lot 1031 which point lies along the southeast boundary of the lot. The location of the right of way is identified in a survey plan filed with this notice — Paul MacNeill, *Solicitor*. [ap12]
